OPENING ODE

WHEN WE ALL GET TO HEAVEN

Sing the wondrous love of Jesus;

 sing his mercy and his grace,

In the mansions bright and blessed he'll

 prepare for us a place.

 When we all get to heaven,

 what a day of rejoicing that will be!

When we all see Jesus, we'll sing and shout the victory.

PATRIOTIC ODE

God bless America, land that I love

 Stand beside her and guide her

Through the night with the light from above

 From the mountains To the prairies,

 To the ocean white with foam

God bless America, My home sweet home

ALTAR ODE

Bless be the tie that binds
Our hearts in Christian love;
The fellowship of kindred minds
Is like to that above.

WELCOME ODE

Welcome to our chapter,
We have need of you.
Help us serve the Master , In the work we do.
Join our chain of friendship
Where each heart is true
Every hear rejoices. While we welcome you.

CLOSING ODE

“IN THE GARDEN”

I come to the garden alone while the dew is still on
the roses, And the voice I hear, falling on my ear,
The Son of God discloses. And He walks with me
and He talks with me, And He tells me I am his
own; and the joy we share, As we tarry there,
none other has ever known.

OUR OBLIGATION

Are we mindful of the vows we take?
Do we forget the promises we make?
When we assume the obligation of the Star,
The pledge is binding wherever we are.
About its work a silence we must keep.
Nor to another of its secrets speak;
I'll not betray the trust that's placed in me,
If I a good Eastern Star be,
Love toward each other firmly standing by
To help in trouble, or at least to try.
Willing another's failures to condone,
Since none is perfect, dare we cast a stone?
Each has his faults, in each some good is found,
If, we will take the pains to look around.

CHAPTER ROOM COURTESIES

Although our Order is not an ancient order, many other lessons, traditions and symbols of the Order of the Eastern Star are drawn from the ancients. Our Chapter room is dedicated to God and His purposes.

We think of God above us; therefore a hat or head covering would be a symbol of something between God and us.

We should meet our Sisters and Brothers with an open hand of friendship. Wearing gloves would be a symbol of something between our friends and us.

Sisters do not sit with legs crossed, but as a gentlewoman, with feet flat on the floor or slightly crossed at the ankles. Ladies, please, slacks, jeans and extremely short dresses are never appropriate for any meeting, regular or called.

Our prepared Altar symbolizes the spirit of God in the human heart. It is placed in the center of the labyrinth between the Star points for protection.

When the Bible is open on the Altar, it creates a Holy area between the Altar and the East. The Worthy Matron draws her strength and wisdom from the light of God's word and this beam of light would be broken if anyone walked between the Altar and her station. Therefore, no one is permitted to pass between the Altar and the East, except in ritualistic ceremonies.

The Reverent Attitude is loosely clasped hands and is assumed during the Altar ceremonies. The Attitude of Prayer is loosely clasped hands with bowed head and is assumed during prayer and is held until the response.

During all Altar ceremonies, all members will stand and face the Altar.
